

Washington State Coronavirus Response

“Govern Inslee, in collaboration with the Washington State Department of Health, has established a [data-driven approach](#) to reopen Washington and modify physical distancing measures while minimizing the health impacts of COVID-19. Washington will move through the [phased reopening](#) county-by-county allowing for flexibility and local control to address COVID-19 activity geographically.

Click this link for information on how counties will be reopening
[COVID-19 County Variance Application Process](#).

The site above includes a map of Washington counties showing the current safe start status (last updated May 28, 2020).
